

WARRANTY

Fenplast Inc., the manufacturer of TSL windows guarantees this product against defects in material and workmanship, and agrees to replace any items found defective within the following terms and conditions:

- 1- PVC sash and profiles are guaranteed against defects in material and workmanship in normal service and maintenance for a period of 20 years from the date of purchase. As this warranty is honored by the profiles supplier.
- 2- This warranty covers glass for a period of 10 years, against formation of particle or dust coating between 2 sheets of glasses due to lack of tightness of the seal not glass breaking and which constitute an appreciable obstacle to the view.
- 3- 1 year guarantee will be given for instant break of the glass, which will be distinguished by a crack in the window and showing that there was no shock given to the glass.
- 4- This guarantee applies to hardware for a period of 10 years, for any breakage or manufacturing defect under normal conditions.

Faulty installation of windows may cause this warranty to be void.

Fenplast Inc. is not liable under any circumstances for any incidental, consequential or other damages.

The above mentioned warranty covers only replacement of parts, not labour on the working site F.O.B. our manufacture.
